INTERMARMOR

OUR COMPANY

FROM NOVELDA TO THE WORLD

Since 1968, Intermarmor has been committed to creating wonderful collections of marble. Quarried and processed to exacting specifications using the latest manufacturing technology, our product lines are produced in a wide variety of surface finishes. We enjoy sharing this Company Information – Intermarmor with our friends and clients.
Through distribution and design centers in Novelda (Alicante), Intermarmor is uniquely positioned to provide an unlimited supply of the industry's highest quality Marble products to the international market.

Компания Intermarmor была основана в 1968 году в Новельде (Аликанте). С тех пор предприятие пережило непрерывный рост и международное расширение.

Intermarmor headquarters

PRODUCTS

Today, Intermarmor has emerged as the leading choice among top architects, interior designers and discriminating homeowners seeking the finest in marble, stone, and granite…Several of our most prestigious projects include: Burj-Al-Arab in Dubai, King Abdallah University in Saudi Arabia, and a range of Private villas in Moscow…..
If you're looking for the finest selection of natural stone, select Intermarmor, the clear leader as a source for naturally beautiful stone surfaces.

Мы поставляем разные виды материалов (граниты, мрамор, натуральный камень) со всего мира, стремясь удовлетворить потребности наших клиентов. Мы специалисты в Crema Marfil, Dark Emperador, Light Emperador, Red Alicante, и других испанских камнях. Также владеем карьерами Brown Dior, Armani и известняка. В нашем ассортименте постоянно представленны эксклюзивные и полудрагоценные материалы, такие как ониксы и экзотичные граниты.

IDEAS

Intermarmor is a world leader for supplying Crema Marfil, Dark and light Emperador, granite, Red Alicante and other major kinds of marble and natural stone to the world's top designers, architects, contractors and developers. Intermarmor was created by entrepreneurs driven by the true principles of business: Superior products, excellent quality and the highest levels of customer service lead by a professional team.

Благодаря нашему многонациональному коллективу, использованию новейших технологий, последних инноваций, а также вниманию, которое мы уделяем каждому заказу, Интермармор стала синонимом качества выполненных работ из природного камня уже более 40 лет.

PROJECTS

Being a technical bench mark for the marble and stone industry, Intermarmor team is proud to apply its skills on any sophisticated Project.

Таким образом, мы специализировались на проектах и стали одной из ведущих компаний в секторе.

We mix *art* and nature

BUILDING TRUST WITH EACH PRODUCT

TECHNOLOGY

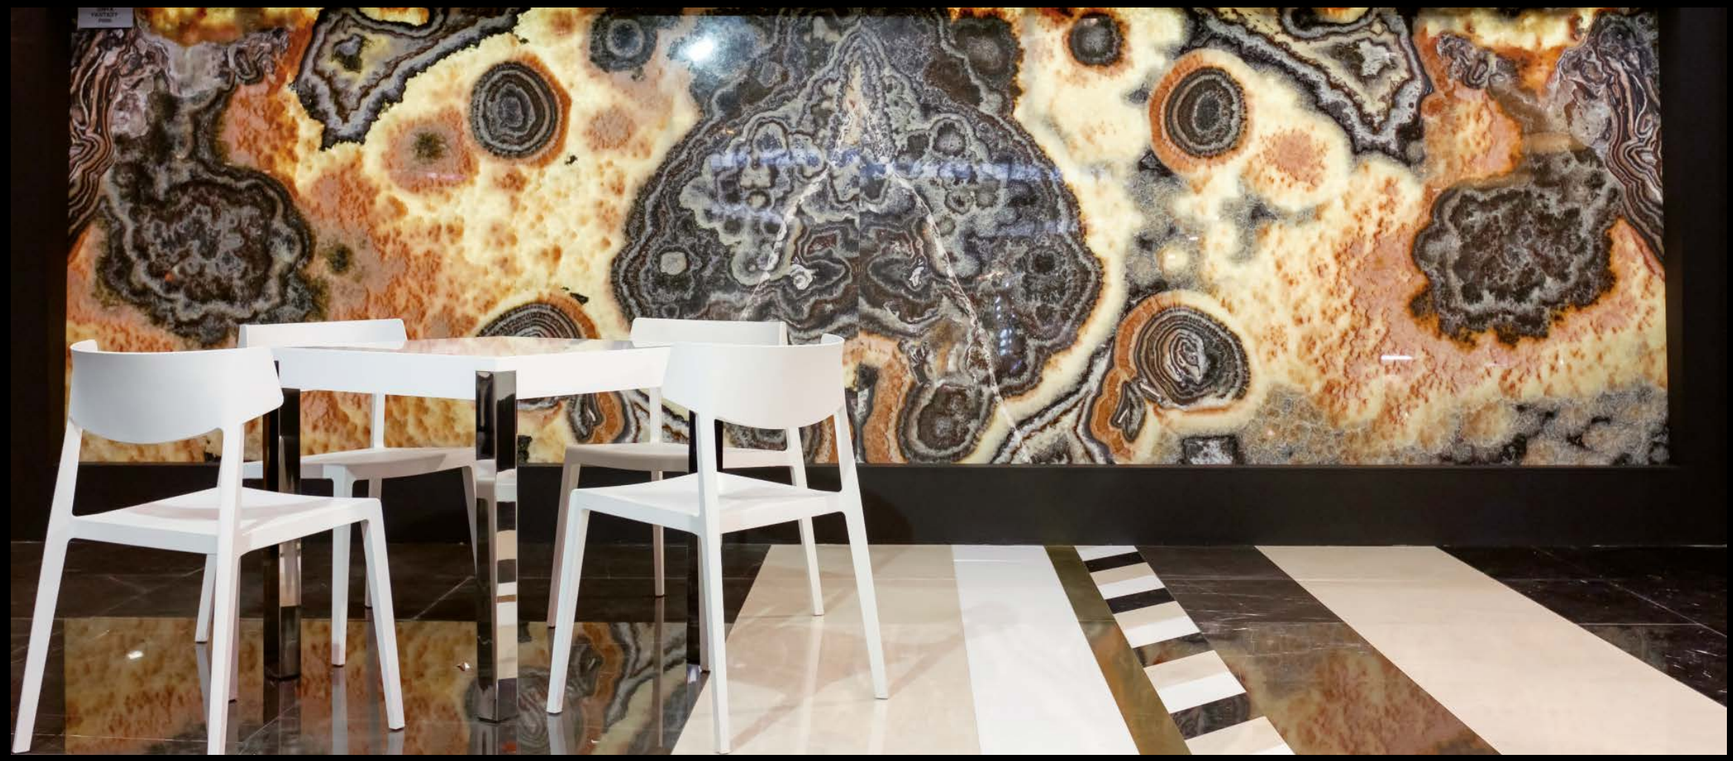
The design center features the industry's most extensive selection based on an industrial platform of three water jet cutting machines and a control five axis CNC, rose windows, balusters and friezes.
Intermarmor has more than 60 collections, a total design package spanning design trends from classic to minimalistic, and a huge network of distributors and dealers available to serve our clients relative to their local markets.
All these points make us proud to discuss them in this fact sheet.

Использование новых технологий в обработке камня позволяет нам реализовывать важные проекты международного уровня: шикарные частные виллы, дворцы и гостиницы. Наша специализация это дизайн и производство мозаики при помощи станков гидроабразивной резки, колонн, розетонов, окантовок, балясин и др..
Мы располагаем 3 станками гидроабразивной резки (Water Jet) и 5 осный станок с числовым программным управлением (CNC) для реализации изысканных творческих проектов.

INNOVATION

Our quality fined tuned marble range remains a prestige item in today's design world. Intermarmor purchasing team travels around the world in order to source the highest quality natural stone at the best prices. Intermarmor worldwide team of inspectors regularly visits these suppliers to insure quality. Also our worldwide presence puts us at the forefront of the market in identifying new colors and trends in natural stone.
We have strong established relationships with major shipping lines which not only results in better pricing that is passed on to you, but also results in the shortest delivery times.
Intermarmor nationwide distribution system is focused on efficiency. With our strong relationships with shipping carriers, overhead cranes in our warehouses, state of the art warehouse automation and supply chain management systems; we have the ability to fulfill your requirements across the globe.

Департамент качества ведет контроль во время всего процесса производства. Благодаря развитой компьютерной системе, мы отслеживаем наши продукты с момента выхода из карьера до того, как их получит наш заказчик.
Наши специалисты тщательно заботятся о наших продуктах и услугах. Для этого мы постоянно работаем над улучшением качества и снижением затрат на обработку и транспорт, используя самые последние инновации отрасли.



FACILITIES

Our production plant consists mainly of a marble block cutter in addition to the marble and granite gang saws coupled with their relative polishing machines.

Наши заводы оснащены высококлассными станками для резки гранита и мрамора, полировальными линиями для мрамора, полировальными линиями для гранита, станками для резки блоков, полировальными линиями для плитки.

A huge permanent stock of slabs and cut to size products distributed on more than 150,000 sqm allocation, enhance our flexibility in responding imminently to any market demand.

Более 150.000 м2 производственного комплекса с передовыми технологиями. Постоянный ассортимент блоков, плит и плитки, готовых для поставки нашим клиентам в рекордное время.

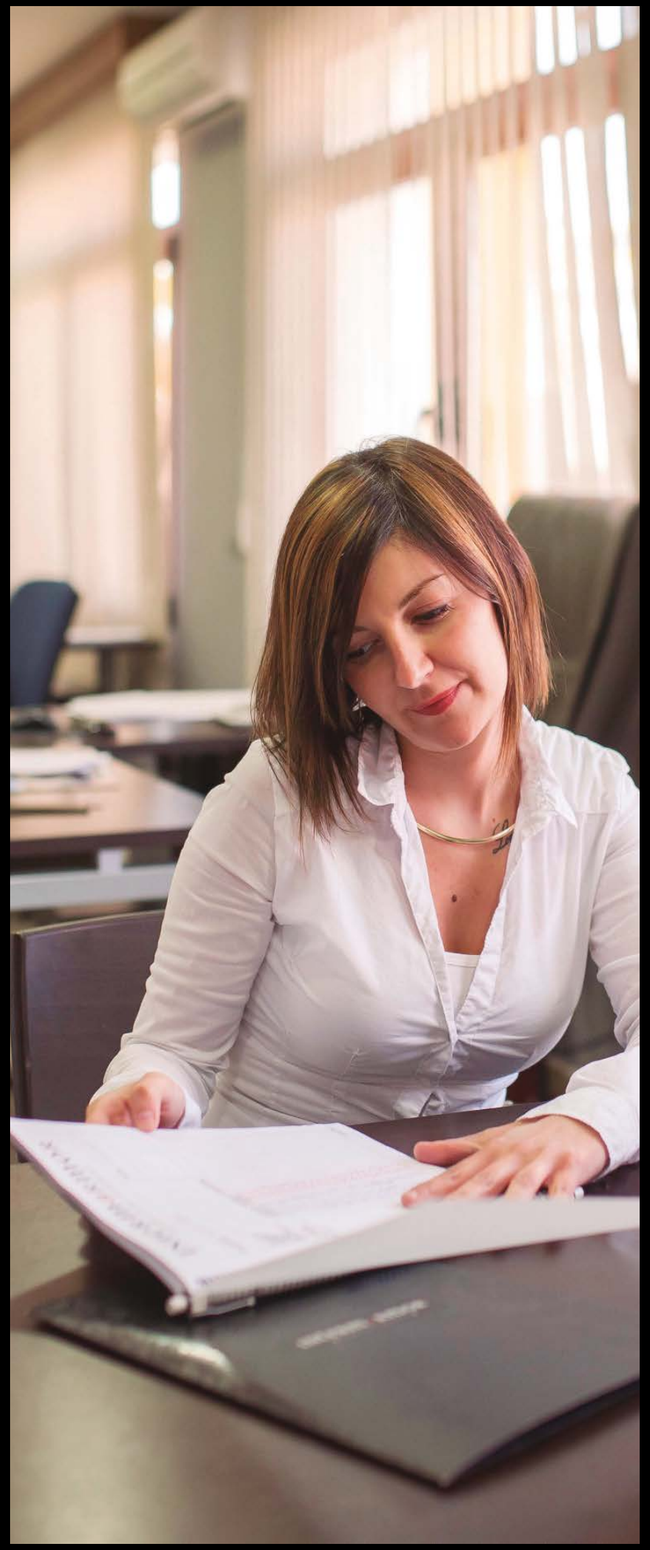
A DIFFERENT WAY OF THINKING



OUR MOTIVATION

Intermarmor's most important objective is the client satisfaction worldwide, realized simply, through our custom relation management (CRM) platform.

Удовлетворение потребностей клиента питает наш дух совершенствования. Открытые, прямые отношения делают наших клиентов друзьями. Мы хотим чтобы Вы чувствовали себя хорошо, работая с нами, чтобы Ваша компания росла вместе с нами.

METHODOLOGY. A DIFFERENT WAY OF THINKING.

Through the whole process of production and manufacturing, Intermarmor's technical team is present and available to ensure a door-to-door delivery making sure to acheive an after sale satisfaction.

Наш специалист технического отдела станет Вашим собеседником и консультантом в проектировании и в производстве. Ваш проект будет контролироваться от А до Я высококвалифицированным специалистом. Личный контакт и индивидуальный подход является нашей отличительной чертой. Прозрачность, професионализм и опыт станут дополнительной ценностью. Нам нравится всё делать хорошо.
